About the Author

Donna Stone has been bookkeeping for 30 years and a MYOB Consultant for 20 years, as well as having run a Private Employment Agency for three years. She has worked in top legal and accounting firms, as well as operating her own successful business *Stone Consulting* for over 14 years which now has over a dozen staff. Whilst she does have formal qualifications, it's the years of real world business experience that has made her the industry expert she is today. There are 3 books in the **Stepping Stones® Series**.
