

# Business Networking Visitors Day

**We meet each Thursday from 7am to 8:30am at Victoria Point**

---

Grow your small business using the oldest form of advertising (but still very effective) – word of mouth. Our business networking group meets weekly to give and receive business referrals and connect with like-minded business owners. Membership (\$330 per year inc GST) means that you don't compete with anyone in your category as each category is limited to one business. Visiting is free, other than the brekky/coffee that you order. We are in growth mode and have a number of categories available:

## Industries that we currently have available:

- ✓ Airconditioning Services
- ✓ Beauty Therapist
- ✓ Business Broker
- ✓ Carpet Cleaning
- ✓ Cleaning Services
- ✓ Counsellor / Psychologist
- ✓ Electrician
- ✓ Finance / Mortgage Broker

- ✓ Massage Therapist
- ✓ Naturopath / Dietician
- ✓ Painter & Decorator

Whilst our group has already approx. 20 businesses in the group, if you don't see your business category listed, but are interested in visiting and potentially joining, please reach out to us. We haven't listed everything. If your category is already filled, we may be able to pass your interest onto one of our sister groups in other Redland locations.
